Art of Health Gala

Vibrant palettes of color and art will greet guests as they arrive for the Friends of St. Luke's Hospital's Art of Health Gala on the evening of **Saturday, October 5, 2024** at the Ritz-Carlton, St. Louis.

St. Luke's is dedicated to providing exceptional care to every patient, every time. We understand that each patient is unique, which is much like art, in which no two canvases are the same. Like the intentional movement of an artist at work, the St. Luke's team personally curates the individual healthcare experience with one team, one passion and one purpose.
