SLEEP MEDICINE

232 S. Woods Mill Road | 314-205-6030

St. Luke's Hospital is located north of Highway 40 on Woods Mill Road (Hwy 141). St. Luke's Sleep Medicine is located on the first floor of the hospital. There are two convenient entrances to the department. Our main (exterior) entrance can be accessed from our designated parking area on the south side of the hospital. If you are already inside the hospital, the Sleep Medicine entrance can be found at the back of the Lakeview Café Dining Room.

From Woods Mill Rd/Hwy 141: Once you turn on the hospital grounds, make an immediate right and follow the service road until you reach the Sleep Medicine Center. There are signs along the way indicating the location of the Sleep Medicine Center. Designated patient parking is available in front of the Center. **If you are unable to find parking, please proceed to the complimentary valet in the East Medical Building.** Turn left at the bottom of the parking lot near Sleep Medicine and take the service drive around the lake. The valet is located in the circle drive on your left.

Valet Service Available: If you require assistance, we encourage you to take advantage of the complimentary valet service at the East Medical Building entrance. Enter the St. Luke's Hospital campus from Conway Road. Make the first left and go straight towards the East Medical Building. The valet attendant is located in the circle drive. Please inform the attendant if you require assistance getting from your car to the Sleep Center. The valet service is available Monday-Friday from 7:30 a.m. – 4 p.m.
